

The Digital Success & Transformation Conference

29th February 2024

44 Hallam Street, London, W1W 6JJ

**DIGITAL
SUCCESS**

**Transformation,
Innovation, Change**

29.02.2024 | www.digitalsuccessconference.com

Welcome To The Digital Success: Transformation, Innovation & Change Conference

Official Event Programme

Please note that the following timings are flexible. Due to the nature of a live event, the conference chairs and organisers will be updating the timings throughout the day to adapt to speakers running over time, late arrivals, last minute changes and extending popular sessions. Please rest assured we will do our utmost to adapt and to accommodate all live changes.

Organised By:

08.30 Registration & Informal Networking

09.20 GIC Welcome

09.30 Morning Chair's Opening Remarks

Iyioluwa Adesan,

AI, Automation & New Tech: New Opportunities - Panel Q&A

09.40 Determine The Real Impact Of AI & Lucrative Opportunities For Your Business! True Value & Tangible Applications Of AI Which Enhance Customer & Colleague Experiences & Drive Successful Digital Transformation

- Examine real-life AI application to maximise investment and transform your digital landscape
- Establish and debate how AI can transform an organisation's products, communications, and workforce to continue to fuel next-level customer and colleague digital journeys
- How can you quantify and measure the value of your AI feats to win employee buy-in and convert digital sceptics?
- Strike the crucial balance between embedded AI applications and the human touch to really create value-add and increase customer uptake

Dr Charlotte Harden,
Deputy Director & Chief Operating Officer,
NIHR Leeds In Vitro Diagnostic Co-operative

Rahul Gupta,
Lead Solution Architect,
Lloyds Banking Group

Nicholas Hodder,
Assistant Director of Digital Transformation,
Imperial War Museums

AI Excellence Delegate Discussion

10.10 Please Refer To The Delegate Discussion Worksheets To Find The Discussion Objectives & Discussion Points

We would encourage you all to enter into the spirit of the day and to share ideas with fellow delegates. We understand there might be commercial sensitivities behind discussing strategies, however, there is a lot to be gained from sharing theories, mindsets and abstract situations – the person sat next to you might just have that fresh outlook which unlocks new potential!

10.40 Generative AI: Your Blueprint for Enterprise Use Case Adoption

- Quick Softwire intro and overview on how the landscape is evolving via Gartner research
- Concept of AAA (Augmenting, Accelerating and Automating) as a framework for identifying use cases for GenAI
- Examples and case study for each 'A'

Yemi Olagbaiye,
Client Director,
Softwire

Softwire

10.55 Morning Refreshment Break With Informal Networking

Digital Strategy & Innovation – Double Perspective

11.25 Establish & Drive Forward Strategies That Power Impactful, Practical & Profit-Boosting Digital Transformation & Innovation

- Operational transformation, seamless customer experience, or maximised employee engagement? Establish the intention of your digital strategies for guaranteed buy-in and next-level digital success
- How can concepts such a cloud convergence and intelligent automation be translated into tangible, actionable, and profit-boosting digital transformation?
- Cultivate digital strategies which overcome doubts and preconceptions around digital innovation to secure stakeholder buy-in and company-wide backing

11.25 Perspective One

Jason Wallace,
Digital Strategy Manager,
London Stock Exchange Group

11.45 Perspective Two

Linda Watts,
Associate Director of Digital Transformation &
General Manager Outpatients &
Patient Access,
Imperial College Healthcare NHS Trust

Customer Insights, Expectations & Journeys – Panel & Q&A

12.05 Deliver Seamless, Personalised & Insight-Focused Customer Journeys That Leverage Digital Transformation & Fuel Your Business Growth & Digital Success

- How can you leverage the power of digital transformation to drive customer-centricity and create hyper-personalised experiences for consumers?
- No customer should be left behind: how are you guaranteeing your digital transformation journey is inclusive to all types of customers – whether they are tech savvy or not?
- Cultivate the perfect digital strategies! Deep dive into customer minds, examine behaviours, and create holistic customer journeys for evidence-based digital solution decisions
- Reduce customer churn and create seamless, hassle-free customer journeys with break-through strategies that navigate changing data security requirements

Sarath Sreekumar,
Strategy Manager,
Ford Motor Company

Suzanne Lord,
Project Director,
BBC

Dr Ifeanyichukwu Franklin Nworie,
Data Science & Analytics Manager,
BT Group

Implementing Change Management - Delegate Discussion

12.35 Please Refer To The Delegate Discussion Worksheets To Find The Discussion Objectives & Discussion Points

We would encourage you all to enter into the spirit of the day and to share ideas with fellow delegates. We understand there might be commercial sensitivities behind discussing strategies, however, there is a lot to be gained from sharing theories, mindsets and abstract situations – the person sat next to you might just have that fresh outlook which unlocks new potential!

12.55 From A Single Grain Of Rice To Today's Exponential AI Capabilities

A session that will decode the exponential growth narrative of AI, likened to the fabled grain of rice on the chessboard, and delve into the often-overlooked cornerstone of AI advancement: the consistent, accurate, and high-quality data.

Discover how ABBYY is revolutionising the AI landscape by integrating expert document models and process models within its AI platform, offering an unparalleled data foundation that propels businesses on their AI-driven journey to success. Whether you're an industry veteran or just beginning to navigate the vast ocean of AI, this session promises to enrich your understanding and spark new perspectives. Don't miss the chance to redefine your AI strategy and unlock the full potential of your organisation.

Maxime Vermeir,
Senior Director - AI Strategy,
ABBYY

ABBYY[®]
